Factory Capabilities

A practical overview for buyers selecting silicone coaster styles and custom options.

Product Range

- More than 30 ready-to-ship silicone coaster styles, covering round, square, flower, snowflake, textured, hollow-out and holder-set designs.

Customization

- Custom logo, Pantone color matching, packaging, surface texture, shape adjustment and new mold development are available.

Material & Compliance

- Food-grade, flexible and heat-resistant silicone. FDA and LFGB certification support can be provided for compliant projects.

MOQ & Lead Time

- Stock styles can support flexible order quantities. Custom projects can start from 100 pcs, with prototype lead time commonly around 3-7 days depending on design.

Buyer Fit

- Suitable for promotional gifts, brand merchandise, homeware, cafes, hotels, beverage brands and retail private-label programs.

Standard product note

Common sizes: 7-15 cm / custom. Final price depends on quantity, logo process, packaging and tooling requirements.
