Factory Capabilities

A practical overview for buyers selecting silicone wine charm styles and custom options.

Product Range

- 16 ready silicone wine charm styles covering alphabet, bow, butterfly, flower, animal, ring, spiral, pineapple, flamingo, snowflake and marine animal designs.

Customization

- Custom logo, Pantone color matching, packaging, surface texture, shape adjustment and new mold development are available.

Material & Compliance

- Food-grade, flexible and reusable silicone. FDA and LFGB certification support can be provided for compliant projects.

MOQ & Lead Time

- Standard custom projects usually start from 500 pieces per style. Sample and bulk lead time depend on design, quantity and packaging.

Buyer Fit

- Suitable for wine brands, bars, restaurants, hotels, promotional gifts, party supplies, retail private-label programs and event giveaways.

Standard product note

Common thickness: 1.5-2 mm / custom. Final price depends on quantity, logo process, packaging and tooling requirements.
